Horeca

## PLASTIC PACKAGING PRODUCTS (RETAIL)

Discover our range of plastic packaging products tailored for retail, designed to enhance product visibility and ensure secure transportation.

### Shopping Bags

Eco-friendly, biodegradable and fully customizable to suit your needs. We manufacture high quality printed shopping bags for our clients to help market their brands and businesses better.

### Garbage Bags

Our trademark garbage bags have been in the market for years and have captured a major chunk of the market as we specialize in maintaining high quality in the most economical way. These bags are oxo-biodegradable, made with high density material which resists punctures and leaks.

### Vegetable Bags on Roll / Fish & Meat Bags

These bags, used in groceries and supermarkets for meat, chicken, fish, fruits, and vegetables, ensure optimal preservation and presentation with their uniform perforation design and strong bottom sealing for durability.

## PP / BOPP / Zip Lock Bags

Our selection of versatile PP, BOPP, and zip lock bags, crafted for secure and convenient packaging solutions. Ideal for storing and showcasing various items with ease, ensuring freshness and accessibility.

## Cling Film

A packing essential in the HORECA sector with an increased demand and consumption, our films are 100% food grade and the most cost-effective packaging solution for food products requiring complete protection.

## PLASTIC PACKAGING PRODUCTS (INDUSTRIAL)

Our industrial plastic packaging ensures durable, reliable containment and efficient transport of goods in demanding environments.

## Garbage & Biohazard Bags

ESMA certified 100% Oxo-Biodegradable bags used for collecting biomedical waste in clinics, hospitals and healthcare facilities etc. Available in all standard and customized, sizes & colors.

## HD / LD Linear Bags

Our high-density (HD) and low-density (LD) linear bags, offering versatile and durable solutions for packaging & storage. Perfect for industrial and commercial applications, ensuring strength and reliability for various needs.

## Stretch Film & Adhesive Tape

We offer a wide range of packing materials ranging from stretch films to various types of adhesive tapes. We ensure our products are produced with even thickness and made with 100% virgin materials.

## PAPER PACKAGING PRODUCTS

Discover our eco-friendly paper packaging, designed for sustainable style. Our products offer environmentally conscious options that elevate your brand's appeal.

## Corrugated & Flexi Carton

Our reliable corrugated and flexible carton solutions, tailored for secure and efficient packaging needs. Perfect for shipping and storage, offering strength and versatility to protect your products during transit.

## Corrugated Packing Roll

Our durable corrugated packing rolls, ideal for cushioning and protecting items during shipping and storage. Designed for versatility and strength, ensuring your products arrive safely and intact.

## Paper Shopping Bags

Our stylish and eco-friendly paper shopping bags, perfect for showcasing your brand and products with sustainability in mind. Available in various sizes and designs, ensuring a chic and practical shopping experience for your customers.

## HYGIENE, TISSUE AND POS PRODUCTS

Explore our range of high-quality hygiene, tissue & POS items, crafted to enhance your retail environment and customer experience.

## Tissue Box

Introducing our stylish and practical tissue boxes, designed to complement any setting with convenience and elegance. Available in a variety of designs and sizes, ensuring a sophisticated solution for every environment.

## Maxi Roll

Our maxi rolls, the perfect solution for high-volume and cost-effective dispensing in commercial and industrial settings. Designed for durability and efficiency, ensuring a seamless experience in maintaining cleanliness and hygiene.

## Toilet Roll

Our premium toilet rolls, crafted for comfort and reliability in every use. Available in various ply and sheet options to suit diverse preferences and needs, ensuring satisfaction with each roll.

## Thermal Roll

Our high-quality thermal rolls, engineered for precise and efficient printing in POS systems and other applications. Designed for reliability and clarity, ensuring crisp, legible receipts and transactions every time.

## Thermal Self-Adhesive Label

Our versatile thermal self-adhesive labels, perfect for clear and durable labeling solutions in various industries. Engineered for ease of use and reliability, ensuring efficient organization and professional presentation.

## Multi Purpose Cleaner

Our versatile multi-purpose cleaner effortlessly tackles dirt and grime on various surfaces, leaving your home sparkling clean. Safe for use on floors, and appliances, it combines powerful cleaning with a fresh, pleasant fragrance.

## Multi Surface Disinfectant

Our multi-surface disinfectant ensures a thorough clean by eliminating germs and bacteria from a variety of surfaces. Its fast-acting formula leaves surfaces hygienic and fresh, making it ideal for both home and office environments.

## Liquid Bleach

Our liquid bleach delivers powerful stain removal and whitening for your laundry and household surfaces. Its concentrated formula ensures deep cleaning and brightening.

## Glass Cleaning Liquid

Our glass cleaner delivers streak-free clarity and a sparkling shine on windows, mirrors, and glass surfaces. Formulated to cut through grease and grime effortlessly, it leaves your glass surfaces spotless and gleaming.
